XV. EXECUTIVE SESSION: An Executive Session may be called during the meeting. The purpose must be announced and is limited by RCW 42.30.110. Examples include: (1) to discuss with legal counsel litigation, potential litigation and/or legal risks (RCW 42.30.110(1)(i)); (2) to consider the acquisition of real estate by lease or purchase when public knowledge regarding such consideration would cause a likelihood of increased price (RCW 42.30.110(1)(b)); and (3) to consider the minimum price at which real estate will be offered for sale or lease when public knowledge regarding such consideration would cause a likelihood of decreased price (final action selling or leasing public property shall be taken in a meeting open to the public)(RCW 42.30.110(1)(c)); and (4) to evaluate the qualifications of an applicant for public employment or to review the performance of a public employee(RCW 42.30.110(1)(g))

XVI. ADJOURN

PLEASE NOTE: The agenda is tentative only. The Board of Directors may add, delete, or postpone items and may take action on any item not on the agenda (This does not apply during a Special Meeting). The Directors may also move agenda items during the meeting. If you wish to address the Regional Port Authority on a non-agenda or an agenda item, please raise your hand to be recognized by the President. When you have been recognized, give your name and address before your comments. The Board of Directors are committed to maintaining a meeting atmosphere of mutual respect and speakers are encouraged to honor this principal.

The Port Authority office is ADA compliant. Please contact the Administrative Office at 509-884-4700 at least three (3) days in advance if you need any language, hearing or physical accommodation.

CDRPA ACTION ITEMS:

Authorization to Award and Establish a Project Budget – CTC Salvage, Demolition, and Restoration

EXECUTIVE SESSION:

Executive session was announced at 9:10 a.m. for a period of twenty minutes with action anticipated at the conclusion of the session. The purpose consisted of RCW 42.30.110(1)(i) to discuss with legal counsel litigation, potential litigation and/or legal risks. Executive session was extended for five minutes at 9:30 a.m. Executive session concluded at 9:35 a.m.

de Mestre gave an update on the bids that were received on November 2nd, 2022 for the CTC Salvage, Demolition, and Restoration project. Three of the five bids were contested, so Julie Norton was present to give her legal guidance on any questions that arose regarding potential litigation on the project. Robert Wilson requested to make a public comment via zoom and notated that he suggests that the board accepts a bid and does not send the project out for bid for a third time. The following motion was made:

Motion No. 10-11-22 CDRPA
Moved by: Richard DeRock
Seconded by: W. Alan Loebsack

To authorize the CEO to award the contract to Absher Construction in the amount of \$2,570,257.00 which includes a total construction cost of \$3,780,257.00 for the base bid work, alternates 1-4, and Washington State Sales Tax as well as a payment of \$1,210,000.00 for the salvage equipment conditioned upon the receipt of and acceptance of all necessary deliverables required by the contract documents further conditioned upon not fully executing the contract until after 8:00 am on Monday, November 14th, 2022 and to establish an overall project budget in an amount not to exceed \$3,217,287.00.

Motion passed 5-1 Commissioner Etherington Nay.

Authorization to Award - Malaga Waterline Pipes, Valves and Appurtenances

In order to keep the Waterline Extension Project on schedule it was recommended that pipeline related materials be pre-ordered to ensure a timely arrival. de Mestre requested authority to bid out the pipeline materials. The contract will be awarded to the vendor with the best value – not to exceed \$1.3 million. Lough noted that Microsoft has an agreement to reimburse items purchased within 10 business days and Kuntz noted that Malaga Water District will be consulted. The following motion was made:

Motion No.10-12-22 CDRPAMoved by:W. Alan LoebsackSeconded by:Mark Spurgeon

To authorize the CEO to award a purchase contract to the vendor who provides the best value and can meet a delivery date on or before April 19, 2023, so long as the price does not exceed \$1,300,000.00 and the Malaga Water District approves the selected material (PVC or ductile iron). Such authorization is also conditional on Microsoft signing the First Addendum to

Phase I Water Development and Reimbursement Agreement.

Motion passed 6-0

PORT OF CHELAN COUNTY ACTION ITEMS:

Adoption of Port of Chelan County 2023 Tax Levy – Lough provided information on the Port of Chelan County Tax Levy for 2023. Discussion ensued and the following actions were taken:

Motion No.10-13-22 POCCMoved by:Richard DeRockSeconded by:Donn Etherington

To adopt POCC Resolution No. 2022-05 Setting the 2023

Levy Limit Factor to 101%.

Motion passed 3-0.

Motion No.10-14-22 POCCMoved by:Richard DeRockSeconded by:Donn Etherington

To adopt POCC Resolution No. 2022-06 Authorizing a 1% Levy Increase in 2023.

Motion passed 3-0.

Motion No.10-15-22 POCCMoved by:Richard DeRockSeconded by:Donn Etherington

To authorize the Executive Director to sign and submit the 2023 Levy

Certification.

Motion passed 3-0.

PORT OF DOUGLAS COUNTY ACTION ITEMS:

Adoption of Port of Douglas County 2023 Tax Levy – Lough provided information on the Port of Douglas County Tax Levy for 2023. Discussion ensued and the following actions were taken:

Motion No.10-16-22 PODCMoved by:Mark SpurgeonSeconded by:W. Alan Loebsack

To adopt PODC Resolution No. 2022-04 Setting the 2023

Levy Limit Factor to 101%.

Motion passed 3-0.

Motion No. 10-17-22 PODC
Moved by: Mark Spurgeon
Seconded by: W. Alan Loebsack

To adopt PODC Resolution No. 2022-05 Authorizing a 1%

Levy Increase in 2023.

Motion passed 3-0.

Motion No.10-18-22 PODCMoved by:Mark SpurgeonSeconded by:W. Alan Loebsack

To authorize the Executive Director to sign and submit the 2023 Levy

Certification.

Motion passed 3-0.

Director Baldwin called for a 10-minute break at 10:00 a.m. The meeting reconvened at 10:10 a.m.

INFORMATIONAL ITEMS:

Review Proposed 2022 Supplemental Budget #2 – Lough provided the Board with information on the Proposed 2022 Supplemental Budget #2, specifically making note of any updates made since the November 3rd, 2022 Board Retreat.

Review Proposed 2023 Preliminary Budget – Lough provided the Board with information on the Proposed 2023 Preliminary Budget, specifically making note of any updates made since the November 3rd, 2022 Board Retreat.

Recap Partners Breakfast and Lunch Events – Kuntz updated the Board on the success of the Partners Breakfast and Lunch events and thanked them for their participation. A discussion was had on the consolidation of the breakfast and lunch and it was decided to keep them as separate events to promote as much participation as possible.

Governmental Affairs Representation – Federal – Under the CEO's delegation of authority Kuntz is able to enter into an agreement not to exceed \$5,000 a month. Kuntz wanted to keep the Board informed on a short-term contract he is looking to enter into with Elevate Governmental Affairs to support the Regional Port's \$3.0 million funding request for the GA Terminal Building. No objection was noted, and Kuntz will move forward with the contract.

Chelan Airport Waterline Project – Kuntz reported on the Chelan Airport Waterline Project giving the board an update on meetings he has with the Mayor and Chelan County. The Regional Port's contribution of \$670,000 will be conditioned on all ERU's remaining on the airport unless the City, County and Regional Port agree to otherwise.

MISCELLANEOUS STAFF REPORTS:

Kuntz provided information and updates including:

- Noted that the Board should begin considering the 2023 meeting schedule at the upcoming meeting on November 22nd, 2022.
- Kuntz updated the Board that it is not required by the State of Washington to offer a hybrid meeting option, however, after some discussion, the Board and Kuntz decided that offering a hybrid option is best for public transparency and open discussion.
- Shared that Salcido Group is looking to purchase land at the Olds Station Business Park to build a headquarters building on. A discussion was held on ensuring that the land is used to it's maximum potential with less open space.
- Kuntz discussed additional meeting plans for the WPPA 2022 Annual Meeting in Tacoma.
- Updated the Board on a recent meeting held at Executive Flight with the Washington State National Guard Army and progress on their plans for moving into the facility.

Moyers provided information and updates including:

 Moyers gave an update on the scheduled runway closures at Pangborn Airport to conduct work on the MALSR project. He noted that weather has not negatively affected the timeline of the project.

de Mestre provided information and updates including:

- Updated that the Cashmere wood waste removal project should come in under budget and that she should have the final number this week.
- de Mestre informed the Board that she has formally submitted a "No Further Action" request letter to Ecology for the middle parcel on the Cashmere wood waste project.

PUBLIC COMMENTS: An opportunity for public comment was provided. No public comments were received.

REVIEW CALENDAR OF EVENTS: Several dates and events were reviewed.

ITEMS FROM BOARD OF DIRECTORS: Board of Directors provided various updates.

EXECUTIVE SESSION:

Executive session was announced at 11:37 a.m. for a period of five-minutes with no action anticipated at the conclusion of the session. The purpose consisted of RCW 42.30.110(1)(b) to consider the selection of a site or the acquisition of real estate by lease or purchase when public knowledge regarding such consideration would cause a likelihood of increased price. Executive session concluded at 11:42 a.m.

The meeting reconvened in Regular Session with no action taken and was adjourned at 11:45 a.m.

Signed and dated this 22^{nd} day of November 2022.

CDRPA RESOLUTION NO. 2022-13

RESOLUTION OF THE BOARD OF DIRECTORS OF THE CHELAN DOUGLAS REGIONAL PORT AUTHORITY APPROVING THE 2023 FINAL BUDGET

Whereas, the proposed 2023 final budget has been presented to and reviewed by the Board of Directors; and

Whereas, the proposed 2023 final budget, including the current expense budget for the Chelan Douglas Regional Port Authority was reviewed at an open public hearing held on November 8, 2022, notice of which was published as required by law.

Be It Resolved by the Board of Directors of the Chelan Douglas Regional Port Authority that the proposed 2023 final budget in the form submitted to the Board on this date, a copy of which is attached hereto as Exhibit "A" and incorporated herein by this reference, is hereby approved.

This Resolution shall become effective immediately upon its adoption.

Adopted by the Board of Directors of the Chelan Douglas Regional Port Authority at a regular meeting thereof held this 22nd day of November, 2022.

CHELAN DOUGLAS REGIONAL PORT AUTHORITY

JC Baldwin, Director	Jim Huffman, Director
Donn Etherington, Director	W. Alan Loebsack, Director

Chelan Douglas Regional Port Authority 2023 Proposed Health Care Insurance Plan Policy

This policy is established with the purpose of providing staff with guidance from the Chelan Douglas Regional Port Authority Board of Directors for obtaining health insurance coverage for 2023, with the intent of keeping costs reasonable for the Port Authority while still providing coverage for employees that meets or exceeds current coverage.

Staff recommends the following actions with approval of the policy:

- 1. Approve Regional Port Authority paid coverage for Commissioners, employees and families.
- 2. Approve the Washington State Health Care Authority Uniform Medical Plan (UMP) Classic Full Benefits Package for 2023, which includes:
 - A. \$35,000 Basic Life Insurance;
 - B. \$5,000 Accidental Death and Dismemberment (AD&D);
 - C. Vision coverage provided by VSP; and
 - D. Dental coverage provided by Delta Dental.
- Approve an HRA VEBA Contribution of \$500 per month if a Regional Port Authority Employee or Elected Official elects out of health care coverage and provides documentation of other coverage (not available to Medicare recipients).

Adopted by the Chelan Douglas Regional Port Authority on _____

Memo

Date: November 17, 2022

Re: Authorization to Purchase Compact Excavator

The 2022 Supplemental Budget included funding for a compact excavator under "Pangborn Airport – Maintenance/Operations Equipment". While this piece of equipment was included in the Airport budget, we anticipate using it at all CDRPA properties.

There is no statutory requirement for Port Districts to solicit competitive bids for the purchase of goods or materials, but the CDRPA Purchasing & Contracting Policies requires competitive solicitations for purchases over \$50,000.

In lieu of preparing a formal bid solicitation, I have obtained a quote from the local branch of Pape Machinery, which was prepared in accordance with Washington Master Contract No. 01020, which is administered by the Washington Department of Enterprise Services and is an authorized cooperative contract through an Interagency Agreement with Sourcewell Cooperative Purchasing (Minnesota). Pursuant to this agreement, the attached quote is for a John Deere 35G compact excavator plus attachments for list price minus 27.5%, or \$63,781.32 including WSST.

Re: Authorization to Amend Overall Project Budget – Terminal

Apron Project

On June 22, 2021 the Board of Directors approved an overall project budget for the Terminal Apron Reconstruction project of \$10,954,085.68. This included approved design fees, the construction contract, and a 5% contingency. The Board was previously briefed that we would most likely exceed our approved budget due to previously approved change orders and the pending electrical change order.

Due to changes in the size and scope of the project, additional inspection/testing of concrete ramp materials, extended contract time, and in person meetings, T-O Engineers has submitted Amendment 1 to Task Order 21-01 – Terminal Apron Reconstruction in the amount of \$398,201.01 (see attached). Under this task order, T-O Engineers is paid for some tasks on a lump sum basis and others on a time and materials basis. An independent fee estimate found that the proposed fee for the additional scope of work is acceptable. The FAA has also reviewed this amendment and has given concurrence on its AIP eligibility.

Also attached is an updated project budget showing incurred and committed costs to date, a proposed new overall project budget which includes T-O Engineers' amendment 1 and the pending

electrical change order, as well as the breakdown of AIP vs. Non-AIP eligible expenses. The updated project budget can be reviewed in detail at Tuesday's meeting. However, three items should be clarified:

- The \$50,000 Administrative Expense was not included in our original project budget.
- The Non-AIP Budget column is the CDRPA out-of-pocket expense which is proposed to increase by \$220,306.
- \$372,991 of PFC Grant Funds have been allocated to reimburse the CDRPA for a portion of the out-of-pocket expenses.

Staff is seeking Board approval to increase the overall project budget for the Terminal Apron Reconstruction project to \$11,656,628.00 and to approve T-O Engineers' Amendment 1 to Task Order 21-01 in the amount not to exceed \$398,201.01.

SCOPE OF WORK T-O ENGINEERS, INC.

Pangborn Memorial Airport (EAT)
Terminal Apron Reconstruction (Additional Services)
AIP Project No. 3-53-0084-044-2021

The T-O Engineers Team provided design and bidding services and is providing construction management services associated with reconstruction of the Terminal Apron and Glycol Collection system. An amendment to Task Order 21-01 is requested due to increased scope, size, and duration of the project. The original Scope of Work was prepared November 24, 2020.

Changes include:

- The size and scope of the project changed, essentially doubling. Originally, the scope consisted of a reconstructed terminal apron with a single taxilane entrance/exit (See Exhibit 1 Pangborn EA Apron Plan), with construction costs estimated at \$3.4 million (See Exhibit 2 Pangborn EA Apron Cost Estimate). As the design progressed, the only way to eliminate the elevation issues on Taxiway 'A' (currently a Modification of Standard) and connect to the new apron was to include a 700-ft reconstruction of Taxiway 'A'. Additionally, at this point, two taxilanes were designed as an entrance/exit to the apron for safety and efficiency (See Exhibit 3 Pangborn Apron Site Plan). The low bid came in at \$9.5 million. (See Exhibit 4 Pangborn Apron Bid Tab).
- The original design scope assumed asphalt pavement on the ramp. Designs for both asphalt and concrete pavement were provided, and both options were carried forward as bid alternates. The addition of concrete is a different design and higher level of effort; as certain elements are included such as a jointing plan, different pavement section, technical specifications, etc. Ultimately, the concrete alternate was awarded. Furthermore, the original CM scope was based on asphalt ramp pavement. Actual construction includes both asphalt and concrete, requiring additional expertise, special inspections, and quality assurance testing. The duration needed for concrete to prep, pour, cure, followed by saw/seal 7 days after, also extended contract time and staff time.
- Contract time for construction was originally scoped at 91 calendar days. Contract time started March 21, 2022. Full-time inspection ended on August 9 = Calendar Day #141. The anticipated Substantial Completion date is August 31, 2022, a total of 163 calendar days.
- Construction was delayed by funding and supply-chain issues. The final inspection date, originally scoped in October 2021, is now anticipated in September 2022. Estimated time-andmaterial rates increased from the anticipated 2021 construction schedule to the actual 2022 construction schedule.
- Meetings were originally scoped as virtual due to COVID. On-site meetings were excluded. Meetings are now in person, requiring travel and lodging for in-person attendance. The relationships and partnering between the Owner, Contractor and Engineer are more easily facilitated in-person, along with the added efficiency of being able to move the conversation out onto the jobsite to address issues in which a virtual setting cannot do.

SCOPE OF SERVICES

The T-O team will provide engineering services as outlined in the following tasks.

Task 1 Project Administration and Management

- 1.1 Project Formulation: Prepare a Scope of Work narrative for review with the Owner. Prepare a Task Order Amendment for Professional Services.
- 1.2 Scope Review Meetings: Assume two (2) meetings with Owner and FAA to review scope of services.
- 1.3 Fee Estimate: Prepare a detailed fee proposal for this Amendment based on estimates of professional service hours, hourly rates, and lump sum costs required to accomplish the project; including labor, expenses, and subconsultant costs. Design phase shall be contracted as Lump Sum. Bidding and Construction Phases will be on a Time-and-Materials basis.
- 1.4 IFE Coordination: Provide Scope of Work and blank Fee Estimates to the Sponsor.
- 1.5 Contract Coordination: T-O will execute three (3) subconsultant amendments.
- 1.6 Grant Application: N/A.
- 1.7 Grant Administration: Increase the number of quarterly reports from three (3) to eight (8). Increase the number of weekly construction reports from thirteen (13) to twenty-four (24).
- 1.8 FAA/Owner Coordination: Advise and coordinate with the Owner and FAA on administrative and management tasks. Extend the original duration of 15 months (Dec 2019 Feb 2022) to 25 months (Dec 2019 Jan 2023).
- 1.9 Project Team Coordination: Coordinate with Owner and the Consultant Team (T-O, Erlandsen, M&H, STRATA) throughout the project, including regular email and telephone correspondence regarding project status. Extend the 15-month duration to 25 months.
- 1.10 Project Administration: Prepare and submit monthly invoices for payment. Extend the 15-month duration to 25 months.

Task 2 Project Formulation

No change from original scope

Task 3 Intermediate (60%) Design

• No change from original scope

Task 4 Design Development (90% Design) Phase

No change from original scope

Task 5 Final Design (100% Design) Phase

No change from original scope

Task 6 Bidding Services

- 6.1 Bid Administration: Upload the plans and specifications to the T-O Engineers' online plan-room, instead of Owner's online plan-room.
- 6.2 Pre-Bid Conference: No change from original scope.
- 6.3 Questions/Addenda: Two addenda were anticipated, three were issued. Addendum No. 3 primarily addressed concrete pavement items.
- 6.4 thru 6.8: No change from original scope.

Task 7 Construction Management

Extend the duration of construction and project close-out from 9 months to 19 months.

- The original 9-month duration (May 2021 Jan 2022) included 2 months of pre-construction coordination, 3 months of contract time for construction, and 4 months for project close-out.
- Actual CM phase began in Jul 2021. Estimated completion date for close-out is Jan 2023.

Construction services shall more specifically include the following:

- 7.1 Issue Construction Documents: No change from original scope.
- 7.2 Construction Management Plan: Expand the CM Plan to include more detailed personnel, inspection procedures, frequencies, Quality Control and Acceptance testing, and documentation requirements.
- 7.3 Pre-Construction Coordination: Hold a pre-startup meeting and a second pre-construction meeting (in the Spring) due to delayed start.
- 7.4 Review Submittals and Requests for Information (RFI's): Expand the scope of services throughout pre-construction and construction, commensurate with expanded size, duration, and complexity size of the project.
- 7.5 Resident Project Representative (RPR): Expand the onsite full-time effort during construction by 50 calendar days (7 weeks) and extend the part-time effort preceding construction and following Substantial Completion. No change to RPR duties.
- 7.6 Construction Meetings: Increase number of meetings from 20 to 25, increase participation from 3 staff members to 4, add in-person attendance (1 person) and travel time for 20 meetings; plus 20 additional round-trips with lodging, meals, and incidentals.
- 7.7 Office Administration Support and Assistance: Extend the support phase by 9 months.
- 7.8 Provide AIP Support to EAT PM: Extend the support phase by 9 months.
- 7.9 Contractor Pay Requests: Add 3 monthly pay requests.
- 7.10 Quality Assurance (QA): Add additional travel time, lodging, meals, on-site testing and laboratory testing services for subconsultant Strata due to the increased scope to include PCC pavement.
- 7.11 Certified Payrolls: Extend the review and documentation phase by 2 months.
- 7.12 Change Order Coordination: Expand relative to the size and complexity of the project.
- 7.13 Construction Surveys: No change from original scope.

- 7.14 Substantial Completion Inspection: No change from original scope.
- 7.15 Non-AIP Construction Administration: Expand to match the duration and size of the project, based on the split of non-AIP / AIP construction dollars in the Contractors' bid.

Task 8 Project Closeout

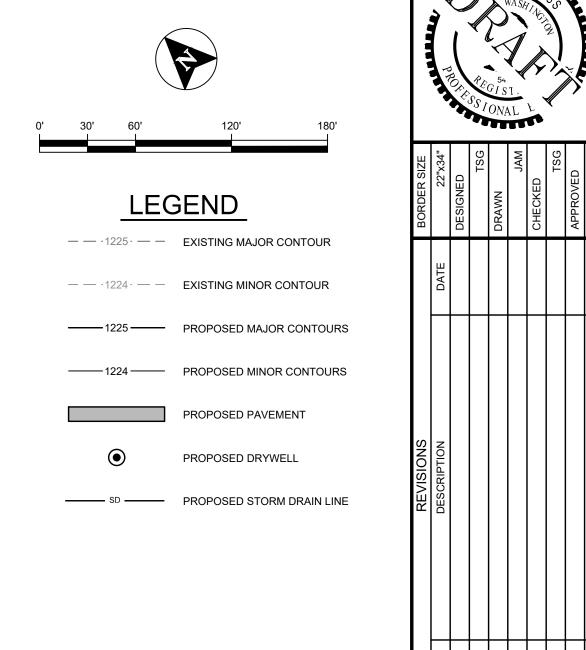

- 8.1 Owner-Contractor Coordination, following Substantial Completion: No change from original scope.
- 8.2 As-Built Drawings: No change from original scope.
- 8.3 FAA Closeout Documentation
 - 8.3.1 Update (as-built) the Airport Layout Plan (ALP): No change from original scope.
 - 8.3.2 FAA Pavement Strength Summary: Increase scope to include two pavement types.
 - 8.3.3 Final Testing Summary Sheets: Increase scope to include PCC pavement.
 - 8.3.4 Assist Owner with FAA forms SF-425 and SF-271: No change from original scope.
 - 8.3.5 Final Report: Expand to match the size of the project.
- 8.4 Non-AIP Closeout Documentation Expand to match the size of the project, based on the split of non-AIP / AIP construction dollars in the final progress estimate.

Memo

To: Board of Directors

From: Stacie de Mestre

Date: November 16, 2022

Re: Authorization to Amend Overall Project Budget – MALSR

Project

On June 14, 2022 the Board of Directors approved an overall project budget for the MALSR project of \$4,039,435.00 (rounded). This included approved design fees to date, the FAA reimbursable agreement, the estimated cost of owner furnished items, permits, the construction contract, and a 10% contingency. The Board was previously briefed that most of our contingency had been used because the owner furnished items exceeded the original estimate and a change order was issued to grade and seed the undisturbed portions of the Lytle and Van Well parcels.

Due to extended contract time, redesign efforts to avoid GWID's main irrigation line, and preparing exhibits for the grading/seeding work, T-O Engineers has submitted Amendment 1 to Task Order 22-11 – MALSR Construction in the amount of \$149,000 (see attached). Under this task order, T-O Engineers is paid on a time and materials basis.

Also attached is an updated project budget showing incurred and committed costs to date as well as a proposed new overall project budget including Amendment 1. Staff is seeking Board approval to increase the overall project budget for the MALSR Project to \$4,186,820 and to approve T-O Engineers' Amendment 1 to Task Order 22-11 in the amount not to exceed \$149,000.

Pangborn Memorial Airport A/E Services Task Order 22-11, Amendment 1 Runway 12 MALSR Construction Management

Task Order No.:	22-11, Amendment 1	Schedule
Original Fee (T&M):	\$168,000	NTP: October 25, 2022
Amendment 1 (T&M):	\$149,000	Start Date:
Revised Fee (T&M):	\$317,000	End Date: March 15, 2023

PROJECT UNDERSTANDING

This Amendment includes additional construction management assistance to the Port, resulting from longer Contractor work shifts, extended Contract Time, and extra services not included in the original task order. Extra services include:

Contract Time was 68 calendar days, now estimated at 92 calendar days, an extension of 24 calendar days.

Inspection services were originally estimated at 40 hrs per week x 12 weeks, now estimated at 70 hrs per week x 13 weeks. The additional 430 hours is split 50/380 for T-O Engineers / Mead & Hunt.

Identification and evaluation of an existing 14-inch irrigation main found in a different location than shown on GWID's record drawings, redesign of the adjacent MALSR light towers to allow the irrigation main to remain in place, and coordinating proposed changes with the Sponsor, FAA, GWID, Douglas County, and the Contractor. Resulted in a Work Change Directive issued to the Contractor.

Preparation of a Request for Change Order to remove root stock, re-grade, and seed an additional 12 acres of property adjacent to the MALSR project limits. Resulted in a Contract Change Order.

The Consultant Team will provide services as described below.

ITEMS TO BE COMPLETED BY CONSULTANT

T-O Engineers, Inc. proposes to provide the following services:

1. Project Administration and Management

Contract Administration: Prepare a Task Order Amendment Scope and Fee for review by Airport staff. Discuss review comments with staff and revise accordingly.

Subconsultant Management: Coordinate with subconsultant Mead & Hunt regarding contracting procedures. Execute TO-M&H task order amendment. Coordinate with M&H to ensure compliance with the project schedule, budget, and deliverables.

 $Client-FAA\ Coordination:\ Continued\ advice\ and\ coordinate\ with\ airport\ staff\ and\ FAA\ staff\ on\ administrative\ and\ management\ tasks.$

Project Management and Administration: N/A, included in original task order.

2. Construction Coordination

Change Order Work: Update the Issued For Construction Plans and Specifications to include the Work Change Directive and Contract Change Order described above. Coordinate changes and execution of the work with the Sponsor, FAA field staff, the Contractor, and its subcontractors.

FAA Coordination: Consultant team will extend its coordination efforts with FAA ATO and EWSSC representatives to provide engineering and construction support, for the additional 3.5 weeks of Contract Time.

3. Construction Services

Inspection: Mead & Hunt will continue to provide a qualified Inspector / Resident Project Representative (RPR) to be on-site during significant construction activities, per the original task order. See Attachment 1 for detailed M&H scope and fee estimate. T-O will provide a part-time inspector on-site as necessitated by the Contractor's work schedule.

Construction Administration: Continue to assist in monitoring and documenting design compliance, quality assurance, and schedule; commensurate with the additional Contract Time and extra services.

Check Surveys: No change from original task order.

4. Commissioning and Project Closeout

No change from original task order.

EXCLUDED SERVICES

The CLIENT and CONSULTANT agree that the following items will be provided by the CLIENT and if added to the CONSULTANT's work will be considered as extra services:

No change from original task order.

SERVICES PROVIDED BY CLIENT

10/21/2022 Page 1 of 2

Pangborn Memorial Airport A/E Services Task Order 22-11, Amendment 1 Runway 12 MALSR Construction Management

No change from original task order.

DELIVERABLES

- 1. Additional meeting minutes, diaries, and reports commensurate with the additional Contract Time.
- 2. Revised drawings, cost estimates, and change order documents associated with the Changes listed above.

ATTACHMENT 1

AMENDMENT 1 TO TASK ORDER #22-11 TO PROFESSIONAL SERVICES AGREEMENT

BETWEEN: T-O Engineers, Inc. (PRIME)

AND: Mead & Hunt, Inc. (CONSULTANT)

EFFECTIVE DATE: September 23, 2022

RECITALS

This is <u>Amendment 1 to Task Order #22-11</u> to the Professional Services Agreement (CONTRACT) dated June 24, 2022, between Prime and Consultant. Task Order #22-11 is attached as *Exhibit A*.

Task Order #22-11 included Construction Inspection services for 50% of the anticipated 68 calendar day construction duration. The FAA has requested that the Pangborn Memorial Airport (CLIENT) provide a full-time inspector for the duration of the project. The Contractor has indicated that 7-day work weeks are probable. CONSULTANT requests additional funding to complete Runway 12 MALSR Construction Management.

Amendment 1 increases MEAD & HUNT's on-site presence to provide the inspection services requested by the FAA, and includes the following changes to Task 2.4 Construction Inspection and Support:

- Construction: Ten (10) weeks consisting of five 12-hour days for a total of 50 working days. Task
 Order #22-11 included 4.5 hours per day. Amendment 1 increases daily hours to 12 for a net
 increase of 7.5 hours per day for fifty (50) days. Lodging, meals, and vehicle have also been
 amended to reflect additional days of inspection responsibilities. Should the Contractor increase from
 5 to 7 working days, an amendment would be required or inspection for additional working days
 would be provided by the PRIME.
- **Post Construction:** Five 6-hour days are expected during closeout. Assume one (1) roundtrip to and from the project site. Lodging, meals, and vehicle are included.

Amendment 1 is necessary to complete the Runway 12 MALSR Construction Project.

The revised total fee for Task Order #22-11 consisting of services being performed on a Time & Expense basis as described in the attached *Exhibit B – Fee Estimate* is:

Original Fee: \$80,000.00

Amendment 1 Change: \$107,313.00 INCREASE

Adjusted Fee: \$187,313.00

SERVICES TO BE PROVIDED

Scope Task 1 **Project Management** \$3,996.00 Original Fee: Amendment 1 Change: \$2,428.00 INCREASE \$6,424.00 Adjusted Fee: Payment Terms: Time & Expense Expected Completion: December 20, 2022 **Construction Inspection and Support** Scope Task 2.4 Original Fee: \$73.733.00 Amendment 1 Change: \$103,165.00 INCREASE Adjusted Fee: \$176,898.00 Payment Terms: Time & Expense Expected Completion: December 20, 2022 Scope Task 3 **Project Close Out** Original Fee: \$2,062.00 Amendment 1 Change: \$1,720.00 INCREASE Adjusted Fee: \$3,782.00 Payment Terms: Time & Expense Expected Completion: December 20, 2022 **APPROVAL AND ACCEPTANCE** Approval and acceptance of the Amendment including any attachments shall incorporate this document as part of the CONTRACT between the PRIME and the CONSULTANT dated June 24, 2022. All work and services defined in this Amendment shall be performed in accordance with the terms and conditions of the aforementioned CONTRACT between the PRIME and CONSULTANT. Approved by: Accepted by: MEAD & HUNT, INC. T-O ENGINEERS, INC. J.R. Norvell, Regional Manger Kevin Mulcaster, Vice President

POCC RESOLUTION NO. 2022-07

RESOLUTION OF THE PORT COMMISSION OF THE PORT OF CHELAN COUNTY APPROVING THE 2023 FINAL BUDGET

Whereas, the proposed 2023 final budget has been presented to and reviewed by the Port Commission; and

Whereas, the proposed 2023 final budget, including the current expense budget for the Port of Chelan County, was reviewed at an open public hearing held on November 8, 2022, notice of which was published as required by law. Possible increases in property tax revenues, as permitted by law were considered at the hearing;

Be It Resolved By The Commissioners Of The Port Of Chelan County that the proposed 2023 final budget in the form submitted to the Commissioners on this date, a copy of which is attached hereto as Exhibit "A" and incorporated herein by this reference, is hereby approved.

This Resolution shall become effective immediately upon its adoption.

Adopted by the Commission of the Port of Chelan County at a regular meeting thereof held this 22nd day of November, 2022.

JC Baldwin, President Donn Etherington, Vice President Richard DeRock, Secretary

PORT OF CHELAN COUNTY RESOLUTION NO. 2022-08

A RESOLUTION OF THE BOARD OF DIRECTORS OF THE PORT OF CHELAN COUNTY DECLARING A SINGLE WIDE MOBILE HOME SURPLUS TO THE NEEDS OF THE PORT OF CHELAN COUNTY

Whereas, the Port of Chelan County (the "POCC") owns certain personal property consisting of a 1995 CHMN Champion VIN#16955103122 located on parcel #22 21 35 240 000, and

Whereas, the Directors have determined that retaining the Property is not absolutely necessary or needed for the Port's purposes and concluded that the Property should be disposed of in the manner determined by the Executive Director;

Now, Therefore, be it resolved by the Board of Directors of the Port of Chelan County as follows:

- 1. The Property is no longer needed or necessary for the POCC's purposes and is hereby declared to be surplus.
- 2. The Executive Director is hereby authorized to dispose of the Property, including through sale, transfer, or disposal/destruction, on such terms and conditions as the Executive Director deems appropriate.
- 3. The Executive Director is hereby authorized to execute all documents necessary to dispose of the Property.

This Resolution shall become effective immediately upon its adoption

ADOPTED by the Port of Chelan County Board of Directors at a regular meeting thereof held this 22nd day of November 2022.

Re: T-Hangars

I thought you would find the attached story of some interest on T-Hangar Development. They are simply too costly to build verses rent received.

From: Robert Bryant Subject: Hangar Bids

Good Morning ALL,

AT the end of September, I had mentioned that GED was getting ready to advertise for bids for the construction of a new "turn-key" 9-Unit T-Hangar building.

First, a little history about T-hangars at GED. Currently, we have only 19 T's at GED with a growing T-Hangar Waiting List with 58 applicants (5 in October 2022 alone). The last T-Hangar building built by the County (airport sponsor) was a similar "turn-key" 9-Unit T-Hangar building built in 2017 at a total project cost of \$579,558. The T-hangar building we advertised was a nearly identical 9-Unit T-Hangar building built in 2017 (9-units to keep 10,000 sf). Like the 2017 T-Hangar, the proposed new 9-Unit T-Hangar Building was situated within the existing concrete apron utilized for aircraft tiedown, so costs associated with a need for newly paved taxilanes and/or concrete aprons for access to individual hangar units was avoided. The County's cost estimate for the new "turn-key" minimum 9-Unit T-Hangar building was targeted at \$775,000 based on budget cost allocation. On October 26th, we opened the one bid received.

That one bid to construct a new "turn-key" minimum 9-Unit T-Hangar Building was submitted at a total project cost of \$1,698,000 (\$2,000 below \$1,700,000). I just about fell out of my chair. I suspected we had underestimated our original \$775.000 project cost, but I never expected a \$1.7M bid for a cold storage 9-Unit T-Hangar building. The County had originally offered to pay the construction cost with general fund tax revenues with a 15-year ROI at 2% which at \$775,000 would have imposed a \$600 per month, per unit. But at \$1.7M, that same requirement for a 15-year ROI at 2% would require a \$1100+ per month, per unit rental fee.

At a proposed project cost of \$1.7M, we're not able to award the bid, yet find any 9 of the applicants on our Waiting List who will sign a T-Hangar Lease at \$1100 per month.

I'm not sure what we will plan next for any new T-Hangars. In a County with a resident population of 250,000, it will be difficult (if not impossible) to justify spending \$1,700,000 in general fund tax revenues to build a 9-Unit T-Hangar building so only 9 (who are going to be stereotyped as "rich enough to own an airplane") of those 250,000 residents can park their airplanes in an enclosed garage.

Unless hangar construction at non-primary airports can become a 90% AIP eligible project, I just can't imagine many T-Hangars are going to be built at general aviation airports.

Chelan/Douglas Regional Port Authority

November 22nd, 2022

This is our "after the events" report back per our Partnership Agreement.

Grant received from the Port was \$3000.00 Distribution and Impact:

- 1. \$1000.00 for the Downtown Possibilities Tour 2022
- July 27th, 2022 starting at 3:00pm

The temperature that afternoon was 106. Hottest temperature to date of doing this tour. Even with the heat, we estimated over 50 people were in attendance. Some jumped in on the tour, some peeled off when they saw the building but overall a huge success.

I attribute the last three buildings specifically to the attendance. The Historic Fire Station, Jail and sneak peek at the newly remodeled City Hall. We were able to market this effort, purchase water to have along the route and refreshments and treats at the end.

With the remainder of the funds, we purchased a large sign for the Historic Rialto Theater that says "FOR SALE". That building has been vacant way too long and needs some additional marketing.

Marketing information attached.

- 2. \$2000.00 for RevitalizeWA Main Street Conference
- October 19 21, 2022

We had 270 Attendees over the 2 ½ days. The Ports sponsorship supported the field sessions. There were 10 total offered in this Conference. Back page of the conference program listed the Port as a sponsor. In addition, at every large session and wayfinding sign, the Port's logo was displayed. The conference moved people around daily to three session locations beyond the Field Sessions. The Historic Liberty Theater, Pybus Public Market (both event room and board room) and the Wenatchee Convention Center.

After event survey reviled that (100 plus took the survey report back)

Amount spent. We provided a coupon book that were all handed out but the attendees told many merchants, "thanks for the coupon but I don't need it". Some told me it was the best day all Fall and with smoke, it was a welcomed boost to sales. The actual spend answers is attached.

42.9 percent stayed 3 nights

57.1 stayed 2 nights

The Trust had their meetings for Friday evening and Saturday extending 4 percent an additional day

87% said they were highly satisfied with the location of Wenatchee

Our mission is to strengthen and enrich the downtown experience.

81% said they were highly satisfied with the hospitality In the additional comments many said they had never been to Wenatchee or it has been a very long time. They would love to return seeing all the changes in the community.

Even with the smoke, challenges at train crossing, they were happy with this location. Spent a lot of money and loved the hospitality they felt here.

Above and beyond the \$2000.00 grant from the Port, this organization invested an additional \$5295.70 from our budget to host this conference. Welcome signs for businesses, speaker thank you gifts, coffee and treats each morning and venue rental. Our money was WELL SPENT when you look at the bump in revenue for the community in a very smokey valley those 3 days.

Marketing information for this conference is attached along with actual answers to money spent by attendees.

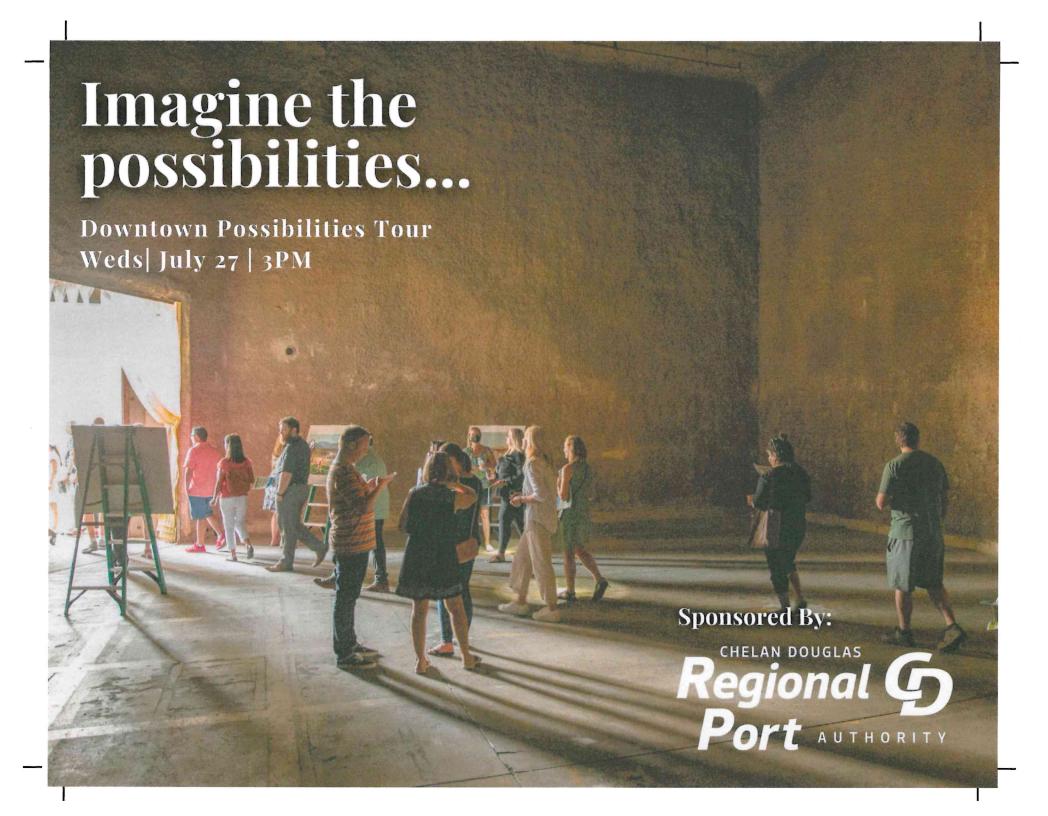

In closing, we so value our ongoing relationship with our Regional Port. Over the years the attention and support of economic development has made a significant difference in our downtown and community.

Our deepest thanks for your trust in this investment.

Sincerely,

Linda Haglund Executive Director

Our mission is to strengthen and enrich the downtown experience.

For Immediate Release: Downtown Possibilities Tour July 27th, 2022

Downtown Wenatchee — Wednesday July 27th, 2022, 3:00 pm in historic downtown Wenatchee. This is a fun tour of buildings with spaces for lease, some for sale, some in the process of rehabilitation and others newly rehabilitated.

The Wenatchee Downtown Association's Economic Committee invites you to the 2022 Tour. It will begin in front of the historic Halbert Building at 29 South Wenatchee Ave. at 3:00pm. There will be 9 stops ready for new possibilities. We will have some light bites and refreshments at our final stop, the newly renovated Wenatchee City Hall.

A special thank you to the Chelan Douglas Regional Port Authority for supporting this economic development effort. Also, a special thank you to the property owners, managers, and business owners for allowing us into these spaces.

There is no need to R.S.V.P., and we welcome any that would like to join us. Yes, it will be hot, and we will have water along the way to keep you hydrated. Wear your walking shoes and pleas meet us downtown, lets dream together!

The mission of the Wenatchee Downtown Association is to promote and enrich the downtown experience.

Wenatchee World Op-Ed November 15, 2022

Investing the Time to Get Fifth Street Redevelopment Right

THE BEST VALUE FOR THE MOST PEOPLE FOR THE LONGEST TIME. This is Chelan County PUD's vision, and what the PUD uses as the standard for all its decisions. The Fifth Street redevelopment is no exception. In fact, measuring up to this standard is arguably more important than ever given that reimagining more than seven acres of land in the heart of downtown Wenatchee is such a rare and special opportunity to leave a lasting legacy.

Throughout this decision-making process, the PUD Board has been fully committed to ensuring that the outcome is one that will enhance the quality of life of our community today and for years to come. This is not a simple process. It takes conscientious and methodical analysis of many factors. The PUD is still weighing these factors, and this takes time, which is why the Board has not yet made a decision on the review committee's recommendation to move forward with GTS Development as reported by the Wenatchee World (*Developer endorsed in Wenatchee Fifth Street Redevelopment project; only one left of finalists,* November 4).

Among the factors that the PUD must consider is whether the selected redevelopment team and the vision for the site embodies the PUD's values, including safety, stewardship and trustworthiness. The team should have a demonstrated history of broad community support and a history of collaboration with neighbors, nonprofit organizations and governmental agencies.

Another factor is ensuring that the community receives the best value for the money and certainty surrounding the outcome. If the current RFP process does not result in an immediate outcome that satisfies this requirement, the Board will continue to consider redevelopment alternatives intended to produce the best long-term outcome for the community. Alternatives that might be considered include exploring a direct sale of the property to another public agency, evaluating how to make the site more conducive for redevelopment through building demolition and other public improvements, assessing a phased approach potentially involving anchor tenants, consideration of marketing strategies, and/or actively soliciting interest from additional developers.

Finally, like so many others, the PUD is trying to navigate a volatile market. Economic and project conditions have changed significantly since the Request for Proposals was issued in early March. This is highlighted by neither finalist "holding" their proposal pricing and one of the finalists withdrawing from the process altogether.

As it relates to the current process, there has been discussion at public meetings and other forums regarding the proposers, their respective visions, and recent recommendation of the review committee. This discussion and the related comments by individual Board members are grounded in these important factors.

The Board appreciates the dedication that the Chelan Douglas Regional Port Authority, City of Wenatchee, Wenatchee Valley Chamber of Commerce and the Wenatchee Downtown Association have brought to this effort and recognizes the significant investment of time and energy associated with their level of commitment and dedication. The PUD also appreciates the patience and support that the community has demonstrated throughout this important effort. The Board firmly believes that all parties ultimately want the same thing — a development that contributes positively to the community and creates a compelling place to live, work and play. The PUD is excited about the strong interest from the YMCA to occupy portions of the site and for the Music Theatre of Wenatchee's desire to grow in their current location.

The redevelopment of the Fifth Street campus is a responsibility that the Board takes seriously. Regardless of whether the Board adopts the review committee's recommendation to proceed with the lone, remaining proposer or not, the community can be assured that the Board will be transparent, will remain fully engaged, and will devote the necessary resources to ensure that with the help of the community, we get the decision right.
